

Youth Enrichment

Sugar Skull Art

Ages 5-Adult

Join us for a family night of sugar skull decorating, an indigenous Day of the Dead tradition in Mexico. This is a unique class that offers a cultural experience that people of all ages can enjoy. Skulls are for decoration purposes and not recommended for consumption. Individual children & adults are welcome. Go to www.sugarskuls.com for photos.

Instructor: Carolina Celaya

NEW

Digital Animation 8 weeks Ages 7-12

Today's animators use sophisticated computer programs to create the world of their cartoons. Before they can take their characters through fantastic worlds on wondrous adventures, they first have to teach themselves and their computer how to give form to the world they envision. In this class, participants learn skills that will help with computer drawing, character skeleton and movement, frame layering, and dialogue matching.

Instructor: FRESHi Media Staff
#1662.300 W 4:00-5:30 pm 9/11-10/30 \$119 EVCC

Beginning Video Game Design 8 weeks Ages 7-12

Beginning game developers work in pairs of two people per computer to learn the basics of computer programming for games. Unlike other game-learning experiences, this program starts with a blank screen. The programming is logic-based and does not require previous experience with computer programming or computer programming languages. Everything created for the game is original to the team. In this camp, students will learn the fundamental game elements and build a single platform game.

Instructor: FRESHi Media Staff
#1661.310 Th 4:00-5:30 pm *9/12-11/7 \$119 EVCC
*No class on 10/31
