## Tiny Tots Preschool

### **The Tiny Tots Philosophy**

We believe that the preschool years are crucial to children's enjoyment of a full life in succeeding years. Their preschool experience should foster their emotional, social, physical, and intellectual development and a joy for lifelong learning. Our goal is a well-rounded curriculum designed to meet children's developmental needs in an atmosphere of fun, respect, and understanding!

### **The Benefits of Tiny Tots**

Our goal is to help develop whole and happy children. We aim to create a classroom environment that enhances children's growth in self-confidence, responsibility, and independence. With warm, positive guidance from staff and parents, we can expect to see these results!

### **Our Learning Environment**

Children learn through play, social interaction, exploration, and instruction. Daily activities include all of these aspects of learning, both inside and outside the classroom. Classroom activities include, but are not limited to, music, creative movement, art, science, social interaction, cultural awareness, language, math, prewriting, prereading, field trips, and dramatic play.

### **Parent Helping Days!**

We believe that optimal growth can occur when parents and teachers work cooperatively. Please keep in mind that you are required to help in the classroom, one day, during each three or four-week session.

### **Choosing the Right Class**

Children are placed in classes that are appropriate for their age during the regular school year, September through June. Three and four-year-olds attend classes that are held from 8:15 a.m. to 10:30 a.m. Older four-year-olds and five-year-olds, who will be attending kindergarten in 2011, should attend the Pre-K classes that are held from 11:15 a.m. to 2:00 p.m. During the summer session, July and August, all ages are combined in one class that is offered from 8:30 a.m. to 11:00 a.m.

### **Our Classes are Available Throughout the Year!**

Tiny Tot classes are offered year-round: Fall Session, September through December; Winter Session, January through March; Spring Session, March through June; and Summer Session, July and August.

### **Do You Have Questions? We Have Answers!**

Tiny Tots staff, both in the classroom and in the office, is available to answer your questions. Please call us at (760) 839-4691 for answers to your important questions!
