Emergency Contact: _____ Phone: () _____

indemnification: Permittee (which in this paragraph includes its agents, employees, and subcontractors, if any) agrees to indemnify, defend, and hold harmless the CITY from all claims, lawsuits, damages, judgments, loss, liability, or expenses, including attorneys' fees, for any of the following:

- a. Any personal injuries, property damage or death that Permittee may sustain while using CITY-controlled property or equipment, while participating in any activity sponsored by the CITY, or from any dangerous condition of property;
- b. Any injury or death which results or increases by any action taken to medically treat Permittee; or
- c. Any claim of liability arising out of the negligence or any acts or omissions of Permittee in conjunction with this permit or the use of any CITY property.

Insurance Requirements: Permittee shall have insurance in the following amounts:

Commercial general liability insurance including environmental pollution coverage with at least two million dollars (\$2,000,000) combined single limit coverage per occurrence for bodily injury and property damage; or, if a general aggregate limit is applicable, either: (a) the general aggregate limit shall specifically apply to the project identified in the Encroachment Permit or to the location of such project which is the subject of this Encroachment Permit with coverage to be no less than two million dollars (\$2,000,000). (b) insurance policy required above shall name the CITY specifically and separately as an additional insured under the policy by a valid endorsement and the company providing insurance must provide at least thirty (30) days written notice of cancellation or termination, if such cancellation or termination of the policy is to occur prior to the indicated expiration date on the face of the certificate. General liability insurance coverage must be provided by a Best's A rated, Class V carrier, admitted in California. The general liability insurance coverage and additional insured shall be in a form satisfactory to the City Attorney. Insurance companies that are not admitted in California must be on the list of approved non-admitted insurers able to write in the state of California and must additionally provide service of suit endorsement. All insurance requirements must be in a form satisfactory to the City Attorney. Failure to comply with insurance requirements under this Agreement or failure to have completed original insurance documents on file within fifteen (15) working days after Permittee executes this Permit shall be grounds for the termination of this Permit.

Severability: The invalidity in whole or in part of any conditions of this permit will not void or affect the validity of any other provision of this agreement.

I have read the above information and understand it.
