

Super Tots "At-Home-Work"

Hi everyone! This week our theme is weather. If possible, go outside and enjoy the weather in your yard. Talk about the different kinds of weather and ask what your child's favorite kind of weather is. Take a little time each day to practice writing their name and recognizing the letters and numbers. Have fun and don't forget to read a book together every day!

Monday	Tuesday	Wednesday	Thursday	Friday
<p>*Letter S -How many things can you find in your house that start with the letter S?</p> <p>Weather observation -Check the weather every day and mark it on your weather chart.</p> <p>Weather chart -you can use a paper plate divide it into four. Draw and color rain, clouds, wind and sun. Use a paper clip to mark the weather.</p> 	<p>*Number 16 -make a pattern writing the number 16 with 2 different colors; Red 16, blue 16, red 16, blue 16.</p> <p>Count to 16 -Find something to count around your house; chairs, pictures, pennies, stuffed toys, it can be anything. Practice one to one correspondence.</p> <p>Shadow drawing -trace the shadow made by the sun.</p> 	<p>*Letter S - Play "I spy something that starts with the letter S" game.</p> <p>Bubble play -2 cups warm water, 1/3cup Dawn dish soap, 1/4 cup corn syrup. Slowly stir ingredients together in a container with a lid. Let rest. Try using bent wire, strawberry baskets, straws or jar rings as bubble wands.</p> <p>Wind sock</p> 	<p>*Number 16 -Draw a picture and put 16 clouds in your sky.</p> <p>Cloud science -Put shaving cream on top of a glass filled with water (2/3) full. Drop food color on top. Wait for the rain to come through.</p> <p><small>Summer Science for Kids How To Make Sensory Rain Clouds</small></p>  <p>Rain name cloud</p> 	<p>Rainbow write your name with six different colors; red, orange, yellow, green, blue and purple</p> <p>Go on a rainbow scavenger hunt</p> <ul style="list-style-type: none"> Find something red. Find something yellow. Find something orange. Find something green. Find something blue. Find something purple. Name a fruit that is red. Name an animal that is yellow. Name a vegetable that is orange. Name a plant that is green. Name a flower that is purple. Name something outside that is blue. <p>Paint or color a rainbow -don't forget to add all the colors.</p>
